

Green Sanctuary Task Force on Global Climate Change *Covenant*

As members of the GSTF, we agree to:

- ❖ Engage in respectful discussion of relevant topics, expanding our awareness of climate change issues and acting wisely on those issues;
- ❖ Assume good intent of all, even as we disagree;
- ❖ Make sure that all voices are heard equally, despite differences of gender, processing style, and tenure with the group;
- ❖ Respect the agenda by staying on topic, keeping comments brief, trusting past decisions, and postponing extended discussions until after the meeting;
- ❖ Be in community with one another, supporting each other as we engage in active hope to address the challenges of climate change and climate justice.
